A memory that I will forever cherish was one from many many years ago when I was a young girl. Back when bubba was my hero and protector. He was the designated big brother baby sitter. I remember sweet tea parties, lots of Barney episodes on repeat, and makeovers that I'm sure he NEVER told anyone about. But that's okay, because it only made it more special. We had our little nicknames for one another that just stuck with us. I was his Pinky, and he was my Toe, and that's just how it will forever be. I'll see you again.. but until then, rest easy in peace. You deserve nothing less. I love you.
